TABLE OF CONTENTS

page

1. Agayev T.M., Gasanov T.Sh. Effect of environmental conditions on the content of dopamine, noradrenaline and serotonin in various regions of the brain in the Persian sturgeon (Acipenser güldenstädti persicus)..... 4
2. Aksenov V.P., Geraskin N.P., Gorbanev Ye.A. Content of high-density lipoprotein cholesterol in the blood of sevryuga females during the spawning migrations..... 5
3. Aliyeva D.M. Biochemical characteristics of the brood stock of the southern Caspian population of sturgeon, caught in the sea and in a river..... 7
4. Andreyeva A.M. Identification of serum transferrins in the bream and sterlet..... 8
5. Andreyeva A.M. The role of sialic acids in the formation of transferrin heterogeneity in the sterlet and bream..... 10
6. Andreyeva A.P., Radzikhovskaya Ye.K., Falkov P.M., Novikov G.G. Functional properties of haemoglobins in the White Sea cod and navaga..... 11
7. Arsan O.M. Effect of feeding on the functioning of the energy-supply mechanisms of the acclimatization of the carp to various water temperatures..... 13
